PAGAN PLEDGE

I, _____ (name) pledge to assist

_____ (name)

in the final rite of passage, by:

- * being with you in your final days.
- * advising your family how to arrange a Pagan funeral for you.
- * do my best to ensure your funeral wishes are carried out.

(delete/add as appropriate)

Please feel free to modify the pledge for your own use as appropriate.

IMPORTANT

It is a good idea to discuss your wishes with your close family to avoid them being faced with surprises at a difficult time. Therefore the recipient of this pledge should explain to their family that they want a Pagan funeral and that the signee will help arrange it - otherwise a lot of painful conflict could ensue.
