

PAGAN PLEDGE

I, _____ (name) pledge to assist
_____ (name)

in the final rite of passage, by:

- * being with you in your final days, to ease your journey into the beyond
- * ensuring you get a Pagan funeral
- * ensuring you get a woodland burial/cremation/other funeral of choice
- * preparing your body for burial

(delete/add as appropriate)

Please feel free to modify the pledge for your own use as appropriate.

IMPORTANT

The recipient of this pledge should reciprocate by agreeing to explain to their family that they want a Pagan funeral and that the signee will help to arrange it - otherwise a lot of painful conflict could ensue.

It is a good idea to discuss your wishes with your close family to avoid them being faced with surprises at a difficult time.
